</table>
| License Attestation       | every year, attest to having a full and unrestricted medical license(s) to provide direct or consultative patient care.                                                                                                                                  | **Click the box to attest to having a license in the USA or Canada in the current year.**  
**NOTE:** If you do not have an active license, call the ABD office (617-910-6400 x 1).                                                                                       |
| Clinical Status           | each year, indicate whether you are Clinically Active or Clinically Inactive.                                                                                                                                         | **Click the box to indicate a Clinically Active or Clinically Inactive status.**  
**NOTE:** Clinically Active is defined as providing any amount of direct and/or consultative patient care in the preceding 12 months. If you are Clinically Inactive, you must contact the ABD (617-910-6400 x 1). An ABD staff member will tell you how to maintain your certification. |
| CME Attestation           | every year, attest to earning a minimum of 25 Category 1 CME credits.                                                                                                                                                | **Enter the number of CME hours completed each year.**  
**TIP:** Learn how to auto-populate the table with data from your AAD Transcript: [click here](#). All CME credits on your AAD Transcript can be seamlessly applied to your ABD CME requirement. |
| Periodic Self-Assessment  | complete 100 SA questions during every 3-year period of the MOC 10-year cycle.                                                                                                                                        | **Complete 100 SA questions for each period in the MOC cycle.**  
**TIPS:**  
Learn how to auto-populate the table with data from your AAD Transcript: [click here](#). All Self-Assessment credits on your AAD Transcript, including participation in AAD Question of the Week, can be seamlessly applied to your ABD SA requirement. |
| Practice Improvement (PI) | complete two PI activities during the MOC 10-year cycle: one activity in years 1-5 and another in years 6-10.                                                                                                | **Complete two PI activities during each 5-year period in the MOC cycle.**  
**TIP:** The ABD has a [Focused Practice Improvement Library](#) where you can find simple PI modules. Participation in AAD’s DataDerm provides PI credit on an annual basis. Learn how to auto-populate the table with data from your AAD Transcript: [click here](#). DataDerm participation can be seamlessly applied to your ABD PI requirement. Participation in the ABMS Portfolio Program provides PI credit. Review the list of portfolio sponsors [here](#). |
| MOC Exam                  | take the MOC Exam or register for CertLink®.                                                                                                                                                                         | **MOC Exam: Administered twice per year: April 1 – May 31 and Sept 1 – Oct 31.**  
**TIPS:**  
Free study guides are available on the ABD website. An application to take the MOC Exam will not be approved if you have overdue MOC requirements.  
**CertLink®:** A new longitudinal assessment platform, providing an alternative to the MOC Exam.  
**TIPS:**  
Enroll by November 15 to start CertLink in January, or by May 15 to start CertLink in July. Actively participating in CertLink, for a minimum of 3 quarters per year, waives the requirement for the MOC Exam. |
| Annual MOC Fee            | each year, pay the $150 fee. Due by 12/31.                                                                                                                                                                           | **You will receive an annual invoice via email each year.**  
- [Online](#): Click the “Pay” button on the MOC Table each year.  
- [Mail](#): Send a check to the ABD office: 2 Wells Ave, Newton, MA 02459.  
- [Phone](#): Call the ABD office (617-910-6400 Ext. 0) with credit card info.  
**TIP:** Click ‘Manage Fees’ on the left margin of the MOC Table to generate an invoice and/or to bundle multiple annual fees together to pay in a single transaction. |
| Verify Certificate Info   | in Year 10, confirm the details for your next 10-year certificate.                                                                                                                                                | **Enter your name exactly as it should be printed on your certificate, as well as the address to which the certificate should be sent.**  
**NOTE:** Certificates are sent to diplomates at the conclusion of their 10-year MOC cycle, when all requirements are complete. |
